Department expects that IL-28s repeat IL-28s now in Cuba will be dismantled and returned to USSR by ship.

If GOTT inquires whether lifting quarantine has altered our position that GOTT should deny overflights and landing rights for bloc aircraft, you should reply that our position unchanged.

Essential GOTT continue cooperate rest Free World in this effort. points Several ~~known known~~ respect to US-USSR agreement re Cubas not resolved, eg., Cuban permission for on site inspection. Moreover, US efforts and Free World cooperation prevent bloc air access Latin American predate Cuban crisis.
